Enter the first value:

5

Enter the second value:

6

The answer to your query is 30

Enter the first value:

8

Enter the second value:

3

The answer to your query is 2.6666666666666665

The answer to your query is 2

The answer to your query is 2

Enter the first value:

4200000

Enter the second value:

23090

The answer to your query is 4223090

Enter the first value:

4200000

Enter the second value:

7633

The answer to your query is 4192367
